Interests

Through my art I like to explore themes through many mediums. I find material is an important factor in narrative. My main interests are history and genealogy, reflecting how the past can guide our future is a concept I have repeatedly turned to. I hope to use art to educate, create conversation and aid well being.

Exhibitions

17th- 19th May 2018, Exhibitionism, Museum of Bath at Work

One of five artists in a show displaying first year degree work. Hosted by The Museum of Bath at Work. Other Artists included Aileen Lyon, Marc Challen, Faye Timmins and Natalia Kulla

Final Exhibition 2017, Wiltshire College, Chippenham Campus
